## **Jackrabbit Technologies Earns Coveted Spot on Inc. 5000**

*Jackrabbit is Listed 824<sup>th</sup> Fastest Growing Company in America: 75<sup>th</sup> Among U.S. Software Companies*

**CHARLOTTE, NC – September 13, 2011** - Jackrabbit Technologies, leading provider of [web-based solutions](#) for youth activities centers, has been recognized by Inc. Magazine as one of the fastest growing private companies in the United States. This is the first year that Jackrabbit has been [eligible for consideration](#) and [debuts on the listing](#) at #824 overall and #75 among software companies, based on a 379% revenue growth over the last three years.

“It is quite an honor to be recognized for our accelerated growth as part of a list of companies that created 370,592 jobs in the last three years. We see a direct correlation to our growth experience from the success of our small business clients in growing their own businesses,” said. “We also attribute our amazing growth journey to the commitment of our team in helping clients understand how to use our technology to improve their operations.”

“We have proof - in our small business customers’ successes - that technology can be the catalyst to improving the services they provide and the way that they are able to provide them,” adds Mahoney.

Jackrabbit Technology has great potential for consistent future growth through a convergence of the increasing adoption of Software as a Service (SaaS) solutions and market expansion opportunities that continue to open up for Jackrabbit through direct sales and partnerships in the eight market sectors that it serves around the world. Jackrabbit’s local, regional and national [recognition for its leadership and innovation](#) is testament to its commitment to its customers, employees and partners.

“We use our own technology to operate our business, so we are able to leverage the same efficiencies that our customers enjoy,” said Mahoney. “This enables us to accommodate considerable grow with a lean team. However, we’ve seen such phenomenal growth over the past three years that we have consistently added resources to ensure that we maintain our high standards for customer service.”

The Inc. 5000 is Inc. Magazine’s exclusive annual ranking of America’s top fastest growing entrepreneurial businesses. For more than a quarter-century, Inc.’s list of the nation’s fastest-growing private companies has been considered a who’s who of rising business stars -- and a stamp of approval for the firms that appear on it.
